

Conference 2019 – Support for young members

There will be a limited numbers of stipends for young members of the society presenting their work at the conference. The stipends will cover conference fee and reasonable travel costs.

To apply for a stipend, you should send a personal application with reference to your abstract. Please include:

- an abbreviated curriculum vitae and,
- optionally, a letter of recommendation from an advisor or institution.

Send your application to [secretary\(at\)nsfs.org](mailto:secretary(at)nsfs.org).

The application should be sent shortly after submission of your abstract, and no later than February 15, 2019. Replies regarding applications for stipends will be sent out no later than March 15, 2019.
