

The Board

Every fourth year, the “hosting” Nordic country is renewed according to a consecutive order. That is done during the NSFS general assembly (ordinary meeting), which include electing a President for the period of the chairmanship. The hosting country have a board consisting of the president, vice president, secretary and treasurer, that take the lead for the period and arrange the next annual meeting “conference”. The other Nordic countries also have a board during each such period, with a chairperson, secretary and a treasurer. The hosting country is working together with the other Nordic country’s board members to achieve the aims with NSFS.

Information on the Board elected at the General Assembly on 7 June 2023:

President: Tore Ramsøy, president@nsfs.org

Vicepresident: Hilde Knapstad, vicepresident@nsfs.org
