

# Programme and committees

## Programme

Preliminary conference programme and list of abstracts is now available

**NSFS**

Nordic Society for Radiation Protection

# NSFS XIX CONFERENCE

June 5-9, 2023

Prel. programme  
and list of  
abstracts

Clarion hotel  
Malmö Live,  
Malmö Sweden

More info at: [www.nsf.org](http://www.nsf.org)

SVENSKA NATIONALKOMMITTÉN  
FÖR STRÅLSKYDDSFORSKNING

Swedish National Committee for Radiation Protection Research

SWE-RAYS

Swedish National Committee for Radiation Protection Research

# Committees

|                                     |  |
|-------------------------------------|--|
| <b>Scientific Program Committee</b> |  |
| Andrzej Wojcik                      | Stockholm University                                   |
| Anja Almén                          | Swedish Radiation Safety Authority                     |
| Charlotta Lundh                     | Sahlgrenska University Hospital,<br>Gothenburg         |
| Edda Lina                           | Icelandic Radiation Safety<br>Authority                |
| Jack Valentin                       | International Commission on<br>Radiological Protection |
| Jens Søgaard-Hansen                 | Danish Decommissioning                                 |
| Magnus Båth                         | University of Gothenburg                               |
| Maria Feychting                     | Karolinska Institute                                   |
| Sören Mattsson                      | Lund University  |
| Tone-Mette Sjømoen                  | Norwegian Radiation and Nuclear<br>Safety Authority    |
| <b>Organising Committee</b>         |  |
| Eva Forssell<br>Aronsson            | president@nsfs.org                                     |
| Christian<br>Bernhardsson           | vicepresident@nsfs.org                                 |
| Marie Sydoff                        | conference@nsfs.org                                    |
| Ann Sofie<br>Gustafsson             | treasurer@nsfs.org                                     |
| Klara Insulander<br>Björk           | University of Gothenburg,<br>conference@nsfs.org       |
| Johan Spetz                         | University of Gothenburg,<br>conference@nsfs.org       |

|                   |   |  |
|-------------------|---|--|
| Christopher Rääf  | Swedish Academic Initiative for Radiation Sciences, SAINT             |  |
| Crister Ceberg    | Swedish Association for Radiobiology, SFRB                            |  |
| Fredrik Nordström | Swedish Medical Physicist Association, SSFF                           |  |
| Mats Eriksson     | National Committee for Radiation Protection, NKSSF, at KVA            |  |
| Mattias Jönsson   | Swedish Association for Radioecology, SFREK                           |  |
| Mikael Elvborn    | Swedish Radiation Research Association for Young Scientists, SWE-RAYS |  |
| Per Roos          | European Spallation Source, ESS                                       |  |
| Per Seltborg      | Swedish Radiation Safety Authority, SSM                               |  |
| Ulrik Kautsky     | Swedish Nuclear Fuel and Waste Management, SKB                        |  |
| Åsa Palm          | Swedish Association for Radiation Physics                             |  |
