

60th anniversary of NSFS

The Nordic Society for Radiation Protection (NSFS) was founded on June 10, 1964, on the initiative of Professor Rolf Sievert.

The 60th anniversary was celebrated with a webinar on June 10th, 2024.

Agenda for the webinar:

14:00-14:10	Welcome, Invitation to the XX NSFS Conference by Tore Ramsøy
14:10-14:25	NSFS and IRPA by Sigurður Magnússon
14:25-14:40	Use of radiation in medicine 1964-2024 – Changing needs for radiation protection by Sören Mattson
14:40-15:00	Medical preparedness and patient management by Jack Valentin

Joint presentation by Sören Mattson and Jack Valentin is available.
