

10-14 June 2019 NSFS Conference

“NEXT LEVEL IN RADIATION PROTECTION”

Hanasaari, Espoo/Helsinki, Finland

First announcement

General information

The Nordic Society for radiation protection NSFS is a member of IRPA (the International Radiation Protection Association). The aim of the society is dedicated to the development and dissemination of knowledge and experience on protection against ionizing and non-ionizing radiation. This work is mainly done through arranging general meetings (conferences) within the Nordic countries, where members can meet and exchange views and information. NSFS Conference is held every four years and the 2019 conference will take place in Espoo near Helsinki, Finland. The theme of the 2019 NSFS conference is “Next level in Radiation Protection”.

Call for papers

You are invited to submit an abstract of any topic within the broad range of radiation protection for presentation as a poster or as a 15 minute talk. The conference language will be English.
