

# NSFS XX CONFERENCE

## August 27- 29 2025

*“Learning by Sharing”*

Scandic Lillehammer Hotel, Norway  
2<sup>nd</sup> announcement

### Important dates

- 30.1.2025 Opening for registration
- 30.1.2025 Opening for abstracts
- 4.5.2025 Deadline for abstracts and early bird registration
- 1.6.2025 Notification of abstract acceptance
- 6.6.2025 Deadline for conference fee
- 6.6.2025 Deadline for final paper submission

## General Information

The Nordic Society for Radiation Protection (NSFS) is a member of the International Radiation Protection Association (IRPA). The aim of the society is dedicated to the development and dissemination of knowledge and experience on protection against ionizing and non-ionizing radiation. The NSFS conference will start at lunch 27<sup>th</sup> August and closes at lunch 29<sup>th</sup> August 2025 in the city of Lillehammer, Norway.

## Registration

An on-line registration form will be available at NSFS homepage ([nsfs.org](https://nsfs.org)) after opening of the conference registration **January 30, 2025**. Registration must be confirmed before **May 4** to qualify for early bird fee. Application for membership will also be included in the registration form.

The registration fee includes lunch all 3 days, cruise with Skibladner 27.8 and the conference banquet 28.8.

<b>Early bird, NSFS member:</b>	<b>325 EUR</b>	<b>Early bird, non-member:</b>	<b>425 EUR</b>
<b>Regular, NSFS member:</b>	<b>410 EUR</b>	<b>Regular, non-member:</b>	<b>510 EUR</b>

## Topics and call for Abstract

The board of NSFS cordially invites you to submit abstracts to the conference. These must be submitted electronically, by following the instructions on the NSFS homepage ([nsfs.org](https://nsfs.org)). Abstract templates will be provided together with submission instructions. You are invited to submit an abstract of any topic within the broad range of radiation protection for presentation or as a poster. Topics may include but are not restricted to:

- New challenges in radiation protection
- Radiation protection in medicine, research and industry
- Nuclear energy in a new area
- Decommissioning
- Radioactive waste management
- Environmental radiology and monitoring
- NORM including Radon
- Non-ionizing radiation
- Emergency preparedness

An overview of the conference program will be made available on our web-site shortly.

## Young NSFS members

Financial support to cover travel costs and conference fee will be available to several young NSFS members (early career/PhD students and similar). More information on how to apply for financial support will be made available at [nsfs.org](https://nsfs.org).

A Young Scientist Award will be awarded to the best oral- or poster presentation given by a young scientist, i.e. under the age of 35.

## Conference venue

The conference venue will be at the [Scandic Lillehammer Hotel](https://www.scandic.com/hotel/lillehammer). A block of rooms have been pre-booked. Room reservations at reduced price must be made directly to the hotel before **May 25** stating the conference **AOB code BNOR270825**.
